

GOOD NEIGHBOR **PARKING GUIDE**

Welcome to the City of Hyattsville's Parking Guide Brochure! The Office of Parking Compliance is dedicated to providing convenient and efficient public parking for our visitors, businesses, employees, residents and their guests and maintain the ability of our residents to park in their neighborhoods through designated Residential Parking Zones when requested. Our goal is to maintain a balance between all of these competing needs. Please watch for signage when parking within a managed parking area.

FREQUENTLY ASKED QUESTIONS (FAQS)

1. How long can someone park in a residential zone without a permit?

That depends on the individual street and the number of cars it can accommodate, but the City makes every effort to ensure households receive at least one (1) residential permit.
